FacilityID: 32-0169, SLSiteID: 7728, T5-OpPermit:559215, SLInsp: 5062

Dear Mr. Horvath,

Your Air Pollution Control (APC) Semiannual Report (SAR) dated 10-13-2011 was received and examined for adequacy. This document indicated that there were no deviations from the permit requirements.

After reviewing this document, I have determined that it adequately meets the reporting requirements of your permit. A review of the substance of the document also indicates that your facility was in compliance with the corresponding permit requirements during the reporting period. If you have questions concerning the document, please contact me at (865) 594-5567, or my supervisor Martie Carpenter at (865) 594 5566.

Sincerely,
Richard A. Smrz, Environmental Specialist 4
